HISTORY OF GERMANFEST

Sacred Heart Parish has had a summer fundraiser since its earliest days. Generally, it took the form of a picnic and ice cream social. In 1974, it was transformed into Junifest (June festival), a German summer festival with wonderful home cooked German foods and a Gala Garten. This was most appropriate since we are the daughter parish of St. Joseph Church; the original parish devoted to German and Volga German immigrants.

Over the years the name changed to Summerfest and finally, Germanfest. It has grown from a Sunday afternoon event to a two day, festival that celebrates our heritage and traditions with wonderful German foods. These authentic foods include sauerbraten, grebble, noodles and sage balls, German potato salad, German sausage and bratwurst, sauerkraut, and more. The food is rounded off with American choices including fried chicken and other complementary dishes.

The celebration begins with a Mass of Thanksgiving at 4 pm Saturday; outdoors-weather permitting, followed by a preview of some of the delicious German food to be offered on Sunday. At 5 pm the beer garden opens and an evening of live entertainment begins. Sunday, morning, festivities begin at 10 am and parishioners and parish supporters are preparing for an exciting day ahead. The games and activities get under way and the food lines form, all with delightful German music in the background.

We have been blessed with new “family members” as Sacred Heart and St. Joseph Parishes have come together to become one. In addition, our “school family” has grown to become one with Our Lady of Guadalupe parish students. We have been guided down new paths for the future, but faith has brought us together as we support each other with Germanfest and other parish/school activities.

Sacred Heart-St. Joseph and Holy Family Catholic School “family” members take pride in the development and growth of Germanfest over the years and strive to continue our commitment to this heritage event would not be possible without hundreds of volunteers. We thank them, one and all, and we thank you for your patronage!

Sincerely, Fr. Tim Haberkorn

HOLY FAMILY CATHOLIC SCHOOL

The mission of Holy Family Catholic School is to promote the Catholic faith and academics that will enable our students to become confident, lifelong learners who value and live their faith.

“The student-to-teacher ratio at Holy Family, the responsiveness of faculty and staff, the faith-driven lessons being incorporated into every aspect of the students’ days, and the diversity of the student body are just some of the benefits our children get from attending Holy Family that they wouldn’t receive elsewhere. In addition, in the time we’ve attended Holy Family, the New Family Mentor Program has been instituted, which I think is an invaluable asset that most other schools can’t or don’t offer.

We don’t consider anything we’ve done to send our kids to Holy Family to be a sacrifice, but rather an investment in their future. They’re not only receiving a top-notch education, they’re receiving it in a Christ-centered environment. That’s not something we’ve been able to put a price tag on.

Many schools in Topeka can offer some of the benefits I’ve listed but the only one that can offer them all is Holy Family. Holy Family offers a true sense of belonging to a community. The faculty and staff care deeply about our children’s education and Catholic formation, and we are investing in their continued education. If those are your priorities, there’s not a better

choice to make than Holy Family.” - The Abbey Family

WHY CHOOSE HOLY FAMILY?

Faith isn’t just a part of our curriculum, it’s the basis for everything we say and do each and every day! At Holy Family, we believe in developing a strong religious foundation while teaching values and knowledge that give students the character to make the right choices. We strive to keep children integrated into their faith while becoming highly successful students academically. It is our goal to instill these values in our children so that they will last a lifetime.

HAYDEN HIGH SCHOOL

“For many are called, but few are chosen.” Matthew 22:14

Together in a setting of academic excellence, we celebrate the dignity of every person and the presence of Christ within each of us. We believe a great Catholic secondary education should be available to everyone. Hayden Catholic High School individualizes the idea of success.

A Hayden education means:

RIGOR

Our curriculum prepares students for college. Our environment prepares them for life beyond. We expect more of our students, and they answer the call.

RELATIONSHIP

Being at Hayden means being known by faculty and staff who care. Through personal relationships, we are better able to cater learning according to each student.

RELEVANCE

The Gospel is our foundation and we want students to see faith lived out beyond the walls of the school. Hayden is about faith in action. It is the love of Christ shown in us and through us.

COMMUNITY

The students at Hayden performed over 8600 hours last year alone! Every student at Hayden is required to serve at least 10 hours (Freshman), 20 hours (Sophomore-Seniors). Students are provided opportunities throughout the year at different parishes and organizations such as Catholic Charities, Let's Help, The Capper Foundation and Harvesters, just to name a few. It is amazing to see our students in action and is very rewarding for each of them as well!
