GERMANFEST BIER

4.6% ABV, 18 IBUs
Light, bright, and crisp

Blind Tiger Brewery is proud to brew GERMANFEST BIER for those who enjoy light beers on hot nights.

MAIBOCK

6.5% ABV, 16 IBUs
Malty sweet pale lager beer

Our Most Awarded Brew! Yes, this German style bock is golden and bright, not dark. *Mai* means May and well, *Bock* means goat, but that's another story. May means Spring and after a long winter of drinking dark beers, Germans were ready for a bright golden beer to celebrate spring.

OKTOBERFEST

5.5% ABV, 14 IBUs
Amber lager with balanced hops

Wrap your lips around the original amber lager. Close your eyes, you'll swear you're in Munich. This brew is the color of turning leaves with an aroma of fresh baked bread. We use Vienna, Pilsner, Munich and a touch of Crystal malts for a rich malty foundation. Hallertau and Tettnang hops provide balance and a floral noble hop aroma.

MUNICH DUNKLES

5.2% ABV, 7 IBUs
Rich malt character with soft chocolate

This dark lager beer is brimming with malt character and flavor. The malt bill calls for more than 50% Munich malt! The color of this beer is like rich mahogany. Noble hops add aroma and help balance the malt sweetness. Low hop bitterness with a clean finish.
