Value Them Both is Supported by Medical Professionals: An alliance of over 200 Kansas Medical and Mental Health professionals publicly issued a statement expressing support for the Value Them Both constitutional amendment. The Coalition of Medical and Mental Health Professionals for Value Them Both consists of doctors, including OBGYNs, family medicine physicians, and additional representatives from the fields of neurosurgery, cardiology, anesthesia, surgery, pediatrics, internal medicine, pathology, emergency medicine, and other essential specialties. Doctors of Pharmacy, nurses, licensed psychotherapists, and counselors round out the coalition. These respected medical leaders have written an open letter to explain why passing the Value Them Both Amendment is vital to returning Kansas to a place where the abortion industry is not left unlimited or unregulated, and should not be allowed to police itself. Please view the press conference and share with family and friends. youtu.be/cQm2fSx9DAc.

Hurting after an abortion? Project Rachel and Project Joseph, post-abortion healing ministries of the Catholic Church, offers one-on-one healing opportunities or Saturday retreats for those who would like to process the pain of their abortions, and find forgiveness and healing. Please visit projectrachelkc.com for more information. Call/text 913-621-2199 today to discuss a program that works for you. All services are confidential and free of charge.

Why Support the Value Them Both Kansas Constitutional Amendment? Few people realize that Kansas is already becoming an abortion destination - a "haven state" for abortion access. The abortion rate in Kansas is up almost 10% in the latest data released by the Kansas Department of Health and Environment (KDHE). For the first time ever, more than half of all Kansas abortions are being performed on women coming to Kansas from surrounding states. The abortion industry projects that if Roe v. Wade is overturned and Kansas does NOT pass Value Them Both, the abortion rate in Kansas will skyrocket by 1,300% to more than 100,000. Let's not allow our state to become a destination for abortion; let's make Kansas a destination for Life! Vote YES for Value Them Both on August 2nd. To learn more visit ValueThemBoth.com.

Blood Drive in Honor of Angela Ackerman (Daughter of Art & Ann Meier.)

Angela was diagnosed with cancer in September of 2020 and lost her battle on July 2, 2021. Angela was an amazing daughter, mother of 2 beautiful children, wife, and friend. She was also dedicated to her faith and active in her church. She had a great sense of humor, an infectious laugh, and had a way of making everyone around her feel loved and special. During her treatment, she received blood and blood platelets. Because of these donations, she got to spend more time at home with her friends and family. We are so grateful for this precious time we had with Angela and would like to give back to others who need blood donations. Please help us honor her life while also giving back to others.
